

## SKIN CARE SERVICES

*Sessions begin with a comprehensive facial analysis, a suggested series of treatments, and include a fabulous face neck and shoulder massage.*

### **SERENITY FACIAL** (45 minutes) \$55

This luxurious facial includes skin analysis, cleansing with hydrating steam, exfoliation, deep pore cleansing as well as a deep and relaxing face, neck and shoulder massage finished with a soft masque.

### **GENTLEMAN'S FACIAL** (45 minutes) \$55

The same luxurious facial and relaxing massage as the Serenity facial followed by a facial masque to help razor burn sensitivity. Please shave prior to appointment.

### **VITAMIN "A" FACIAL** (70 minutes) \$90

Turn back time with this powerful ingredient in skin care, Vitamin A (Retinol). The skin on the face and neck area, which is nearly always unprotected, is most at the mercy of the sun and wind. This treatment is designed for the special care of mature and weather damaged skin.

#### ***Benefits:***

The natural balance is restored to dry, worn-out skin. Vitamin A reduces the visible depth of wrinkles after a few treatments. The skin receives an additional moisture boost and the natural protection functions are restored to establish a new, fresh, smooth skin quality.

### **VITAMIN "C" PURE FACIAL** (80-90 minutes) \$120

A series of cleansing with multiple vitamins applied to the skin and followed by a soothing mask with a concentrated dose of anti-oxidizing agents, particularly vitamin C.

#### ***Benefits:***

Using the C Pure method and creams will keep moisture in the skin with a balancing effect to prevent the damaging free radicals from reaching the skin.

## COLLAGEN STIMULATION FACIAL

(75 minutes) \$80

This clinical skin care anti-aging treatment can actually repair the ravages of time and is recognized for its visible smoothing and firming effects as it rejuvenates and tightens the skin's surface. It's like smoothing away the years!

### *Benefits:*

As we age, our collagen breaks down; this technique stimulates the body into producing its own natural collagen within the skin. An effective alternative to reduce the visible signs of aging without painful surgery.

## CAVIAR POWER QUICK TREATMENT

(60 minutes) \$95

This is an age-reducing luxury wellness experience for the skin. Your session with the Caviar DNA product line contains an exclusive caviar-complex and natural biopeptides to provide moisture for dry and strained skin needing rejuvenation. Caviar DNA formulation stimulates the protective layer of the skin to promote moisture and elasticity.

### *Benefits:*

This treatment increases the skin's moisture, helps to smooth out imperfections in the skin, evens out crows-feet and laughter lines, and in all is an anti aging stress reducer! Perfect for those who want to seek active care for sun-damaged skin.

## WHITEN AND BRIGHTEN FACIAL

(70 minutes) \$115

This facial uses a series of products formulated with whitening agents Alpha Arbutin and Alpine Plant Derived Skin Lightener (comprised of 7 different plants found only in the Swiss Alps). The foaming cleanser gently removes surface impurities and excess oil while keeping the skin hydrated and helps treat sunburn caused by UV rays, leaving your skin with a brighter and clearer complexion. Then the very mild whitening tonic or cream cleanses, refreshes and calms the skin without over drying.

### *Benefits:*

A series of treatments to help in the bleaching process of freckles, age and liver spots, and other blemishes and also inhibits the production of melanin. Skin will be smooth and luminous!

## **BOT\*CARE ANTI FACIAL EXPRESSION TREATMENT**

*(70 minutes)* \$110

Finally an alternative to botox injections with the use of the BOT\*CARE intensive serum and cream. This blend of non toxic anti-aging peptides combine natural amino acids that work in a similar way to botulinic toxin without changing or distorting facial expressions!

### ***Benefits:***

Relaxes facial muscles and reduces the depth of wrinkles and mood furrows and prevents the formation of new wrinkles.

## **ASA CARE PROGRAM** *(80 minutes)* \$110

Known as the “Wrinkle-Killer” Fruit Cocktail, this 4-phase treatment that uses a unique cocktail of fruit acids to remove thick layers of skin and increases collagen and elastin production.

### ***Benefits:***

This treatment smoothes out those dead wrinkles to give you that fresh-faced, youthful look!

## **DIAMOND PEEL EXFOLIATION TREATMENT**

*(60 minutes)* \$95

With the patented state of the art DiamondTome™ Wand this is a non-surgical and non-chemical treatment to gently remove the topmost layer of your skin done by gently abrading the skin with natural diamond crystals and at the same time vacuuming the dead skin cells away in a sterile manner.

### ***Benefits:***

This unique approach to skin management can be used on the face, neck, décolleté removes flaking skin and stimulates the production of fresh new skin cells for a youthful and bright appearance. You will notice immediate results!

## **BIO-LIFT FACIAL** ***\*\*Leading Edge Technology\*\****

*(80 minutes)* \$130

Using a micro-current technique and photo rejuvenation therapy to introduce a mild pulsating current into the skin and muscles, the stimulation causes the skin to tighten and thus gradually eliminates wrinkles, neck and eyelid sags, and dark under eye circles and smoothes acne scarred tissue.

### ***Benefits:***

Firmer, more resilient muscles to enhance facial contours and improve skin tone and texture. A return to the healthy glowing look of youth!

## ACNE SKIN CARE TREATMENT

(60 minutes) \$65

After applying hydrating steam to the skin to soften the pores, the customized Farah anti-acne series of products will be applied to help eliminate the bacteria on the skin that cause acne and start to heal injured skin.

### *Benefits:*

These treatments balance problematic oily skin. Facial appearance is improved, complexion is purified and obtains a matt finish.

*\*\* Please advise your esthetician if you are using any retinols, AHAs or topical medications. \*\**

*\*\* If you have skin sensitivities we have a full line of products without chemical preservatives, emulsifiers, coloring and perfume suitable for all skin types. Please ask your esthetician on your initial consultation. \*\**
